Sir:

In response to the Notice of Allowance and Fees Due and Notice of Allowability mailed October 16, 2009 in connection with the above-identified patent application, Applicants submit herewith the Fee Transmittal (Form PTOL-85) due in connection with the present application.

Applicants note that a Change of Entity Status pursuant to 37 C.F.R. § 1.27(g)(2) was filed on January 31, 2008 notifying the United States Patent and Trademark Office that small entity status is no long applicable for the above-identified application.

Accordingly, please charge the required fees, estimated to be **\$1,810.00** (\$1510.00 Issue Fee for non-small entity, plus \$300.00 Publication Fee) to Jones Day Deposit Account No. 50-3013. Should the Patent Office determine that additional fee(s) are required, please charge the fee(s) to Jones Day Deposit Account No. 50-3013.

Applicants also submit herewith a Request for Corrected Filing Receipt with Exhibits 1-4 and a marked-up copy of the Filing Receipt to correct the title. The correct title should recite "Treatment of Cancer With Novel Anti-IL13 Monoclonal Antibodies." Accordingly, Applicants respectfully request that a corrected Filing Receipt be provided reflecting the correct title, and that the correct title be entered into the record of the instant application so that the patent issuing from the instant application recites that correct title.

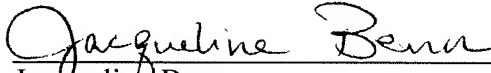

Further, Applicants also submit herewith pursuant to 37 C.F.R. § 1.76(c), a Supplemental Application Data Sheet (SADS) to update the data provided in a declaration

under 37 C.F.R. § 1.63 submitted in connection with the instant application and to add certain application and assignee information. Applicants note that the SADS contains the correct title as recited in the declaration under 37 C.F.R. § 1.63 submitted in connection with the instant application.

Accordingly, Applicants respectfully request that the SADS be made of record in the file history of the instant application, that the correct title be entered into the record of the instant application, and that a patent issuing from the instant application recite this correct title.

Date: January 15, 2010

Respectfully submitted,
